

ON BECOMING AN ORCHESTRA PATRON

The Oregon Coast Chamber Orchestra is chartered in Oregon as a non-profit corporation with tax-exempt status granted by the IRS under section 501 (C) (3) of the Tax Code. At present, the orchestra struggles to meet expenses. As costs continue to rise, we are left with a significant shortfall.

To remedy this, we are reaching out to coastal businesses for corporate sponsorship. We continue to accept advertising in our concert programs.

In addition, we are asking our concertgoers to consider making a special contribution to OCCO to help us reduce our deficit for the current season. Any and all donations are appreciated. We do offer three levels of patron support:

<u>Category</u>	<u>Level support</u>
Supporting Member 2012-2014	\$25 to \$74
Contributing Donor 2012-2014	\$75 to \$149
Conductor's Circle 2012-2014	\$150 and over

If you have enjoyed your experience at our concerts, we hope you will want to add your financial support to continue this important musical project. On the reverse is a Patron Contribution form. Please return it with your check. Unless you request otherwise, your name will appear in the list of orchestra patrons in future concert programs.
