

# OREGON COAST CHAMBER ORCHESTRA

## Patron Information and Contribution Form

Our orchestra is an all volunteer organization of community members. No members are paid for performance. We rely on each other and community at large to provide enough players and funding for our musical adventures. If you have enjoyed your experience at our concerts, we hope you will want to continue attending our performances and even add your financial support to help us continue our project. Ticket sales provide only a small portion of the monies needed to meet our expenses. We depend more heavily on the generous contributions of patrons. At this time we are unable to afford paid advertising so must rely on free advertising sources. We use word of mouth, radio, newspaper and such sources as posters, postcards, e-mail, facebook, twitter, and our website.

It is our desire to keep you informed of our musical offerings. To do so we need some personal information. Please fill out the lines below, which will help us keep you informed.
